

The Peer-reviewed International Journal

International Journal of Engineering Inventions

CERTIFICATE

It is certify that the paper entitled by “**Comparative Performance and Robustness Analysis of NARMA-L2 Neural and PID Controllers for Frequency Regulation in an Interconnected Two-Area Hydropower System under Load Disturbances and Parametric Uncertainty**” is accepted for further publication in **International Journal of Engineering Inventions (IJEI)**.

Paper has published with following details:

Authors Name : **Duy-Trung Nguyen**
Journal Name : International Journal of Engineering Inventions (IJEI)
Journal URL : www.ijeijournal.com
Review Type : Peer Reviewed Journal
Publication Type : Online & Print both
ISSN No. : 2278-7461 (Online) ; 2319-6491 (Print)
Vol No. : 15
Issue No. : 06 (June 2026)
